

MIND READER

The Rules

1. First make your teams A and B. Each team has two players. Each player needs a piece of paper and a pen.

2. Take a set of the Mind Reader cards and put them face down on the table.

3. Team A goes first. One student takes a card from the set and turns it over so everyone can see it.

4. Both players from team A must LOOK at each other for 30 seconds and THINK of five words they associate with the picture. They MUST NOT talk during this time.

5. When the 30 seconds are finished, a player from team B calls STOP. The players from team A each write the five words they were thinking on a piece of paper. They can write the word corresponding to the picture if they like. They cannot talk to each other while they are writing.

6. Team A gets a point for every word or phrase they wrote IN COMMON. The words must be obviously connected to the picture.

7. It is now team B's turn.

8. Continue playing until all the cards have been used. The winner is the team with the most points.
