LANGUAGE ACADEMY!

Language Academy is the newest concept for a reality TV show. In Language Academy you are a contestant on an intensive English course at a very special school. Everything you do will be filmed and shown live on TV and 24 hours a day on the Internet around the world. Can you survive a whole month of English and become a star? Here's your chance to find out.

SURVIVE A NIGHT OUTSIDE!

HOW TO PLAY LANGUAGE ACADEMY

Like most reality shows, in Language Academy you must complete certain tasks. Each contestant places a counter on the Entry Hall. For each room there is a different task (see pages 22 and 23 of the magazine). Work your way around the academy and complete all the tasks. Don't forget that you can only speak in English.

Internet tasks. If you are a subscriber, you can do additional activities at www.its-magazine.com. Do the magazine tasks and Internet tasks for each room.

Classroom tasks. If you are using this magazine in class with a teacher in a real classroom, there are additional tasks for each room that only your teacher knows about. These tasks are written in red on the floor plan. More details of these tasks and the system of eliminations can be found in the Teaching Notes.
